If there is no response within the specified time period, or if the response indicates the delay is due to administrative oversight, the Human Resources Department shall initiate the applicable merit step increase which will be retroactive to the date that it was originally due.

(g) Management will not be arbitrary or capricious in the denial of a performance step increase.

(e) Should any employee be required by order of his Department Head/Division Head to work on any of the above-named holidays, if eligible for holiday pay, in addition to this holiday pay he shall receive one and one-half (1-1/2) times his regular hourly rate of pay for each hour or major fraction worked.

The determination as to whether the request was made in a timely fashion, and whether the employee shall not lose vacation time will be upon the recommendation of the Department Head and with the approval of the Human Resources Department.

Furthermore, this provision shall not be subject to the grievance procedure of this Agreement.

(d) Sick leave may be granted due to medical necessity associated with pregnancy, childbirth and recovery.

(e) Sick leave shall be charged on an hourly basis for each full hour or major portion of an hour of sick leave taken. Holidays occurring during sick leave periods shall not be counted as sick leave time. Sick leave taken during a bi-weekly pay period shall be charged before sick leave earned that pay period is credited.

(f) An employee requiring sick leave must provide his Department Head/Division Head with evidence of such need. Thereupon, the Department Head/Division Head shall guarantee his personal knowledge of the need by certifying to the Payroll Clerk the granting of sick leave. To insure such knowledge, he may require the employee to provide a written doctor's statement before sick leave may be granted.

(g) If an employee does not have adequate accumulated sick leave time, the Department Head/Division Head may grant the use of accumulated vacation time in lieu thereof. In no case, however, will sick leave be granted in lieu of vacation time.

- (5) In case of death of the employee prior to retirement, this cash-out benefit will be paid to the employee's estate. In case of on-the-job death of the employee prior to retirement, all accrued hours shall be paid to the employee's estate.
- (6) "Serious health condition" means an illness, an injury, or a physical condition which involves:

 - (1) Incapacity of more than three (3) consecutive calendar days, and any subsequent treatment or period of incapacity related to the same condition that also involves continuing treatment.
 - (2) Incapacity because of a chronic serious health condition, or treatment for such incapacity. A chronic serious health condition is one that continues over an extended period of time, requires periodic visits for treatment by or under the direct supervision of a health care provider, and which may cause episodic periods of incapacity.
 - (3) Incapacity which is permanent or long-term because of a condition for which treatment may not be effective, but for which the person is under the continuing supervision of a health care provider.

(4) Absence to receive multiple treatments by or under the direction of a health care provider for restorative surgery after an accident or other injury.

(5) Absence to receive multiple treatments by or under the direction of a health care provider for a condition that would likely result in a period of incapacity of more than 3 consecutive calendar days in the absence of medical intervention or treatment.

(c) During periods of incapacity, the employee's duty station shall be a medical facility or their home.

(d) Individuals qualifying for light duty assignments shall not be deemed incapacitated.

(7) The term "serious health condition" does not include:

(a) Cosmetic treatments which do not require inpatient care and which do not result in medical complications; or

(b) Minor conditions such as the common cold, flu or an earache which do not result in medical complications.

(8) As used in this section, "incapacity" means the inability to work, attend school or perform other regular daily activities because of a serious health condition, including any treatment or recovery period.

ARTICLE NO. 8. ON-THE-JOB INJURY BENEFITS:

(a) Whenever an employee is injured while on duty with the City of Reno, and such injury prevents said employee from performing his normal full-time duties, the City of Reno shall pay full salary to the employee for a period of up to but not exceeding sixty (60) regularly scheduled workdays from the date of injury. During this period, the employee shall not forfeit any accumulated sick leave or vacation leave.

(b) Upon expiration of sixty (60) regularly scheduled workdays subsequent to the on-the-job injury, if the employee is still unable to work he/she may elect to utilize accumulated sick leave, during which period the employee will receive full

compensation from the City of Reno.

(c) When accumulated sick leave has expired, if the employee is still unable to work, except for total accumulated vacation time pay, said employee shall receive no additional compensation from the City of Reno.

(d) Provided, however, that it is the intent of the City of Reno to pay the on-the-job injured employee, as outlined in this section, the difference between full daily salary and that provided by workers compensation as salary continuance. Therefore, the employee shall return to the Reno City Clerk all salary continuance payments made by workers compensation covering the period enumerated in paragraphs (a) and (b) of this Article.

(e) Notwithstanding the provisions of paragraphs (a), (b), (c), and (d), when, as a result of an on-the-job injury an employee is confined to a duly licensed hospital, the City will pay full regular salary to the employee during the entire period of said confinement until workers compensation ceases to render insurance payments in connection with said injury. When the City Council determines that special circumstances warrant the action, the above requirement of continual confinement to a duly licensed hospital may be waived by action of the City Council. During this period, the employee will not forfeit sick leave or vacation benefits but will refund all workers compensation salary continuance payments to the City.

ARTICLE NO. 9. JURY DUTY:

Any such absence shall not be deducted from the employee's accumulated vacation. In addition to the foregoing benefit, military leave shall be handled in accordance with the requirements of federal law.

ARTICLE NO. 11. UNIFORM ALLOWANCE:

 - (b) Any other prepaid or indemnity group medical and dental plan or plans (including health maintenance organizations) determined appropriate by the City.
- (2) The City shall contribute to the cost of dependent coverage an amount equal to fifty-five percent (55%) of the cost of the indemnity plan coverage for each dependent category for those qualifying employees who decide to be covered by (a)(1) above.
 - (a) This amount shall be used as a credit to the appropriate category of dependent coverage selected by the employee.
 - (b) This credit shall only be available to those employees who qualify and elect to receive dependent coverage.
 - (c) Under no circumstances will the City contribute more to the cost of dependent coverage than the actual cost of that coverage.
 - (d) This credit shall only be available to active employees.
- (3) If the cost of dependent coverage selected by the employee under

(a)(2) above exceeds the maximum City contributions, the employee shall pay the additional cost.

- (4) All qualified employees who select coverage under Section (a)(1) above shall be covered by, and the City contributions shall be made for, the plan(s) of his/her choice on the first of the month following thirty (30) calendar days of his/her initial date of hire, provided that the employee enrolls in such coverage in accordance with the provisions of the plan selected.
- (5) Specific medical and dental benefit levels and premium costs are not set forth in this contract for the insurance programs available under this contract.
 - (a) It is understood that plan benefits are determined by the providers and the City. As such, plan benefit levels are not subject to bargaining under this contract.
 - (b) The City assumes no responsibility for replacement of benefits which may be changed.
 - (c) It is understood that plan costs, premiums or funding levels for employee and dependent categories are determined by the providers and not subject to bargaining under this contract.  - (d) The City assumes no responsibility for increased plan costs except as provided in Section (a) of this Article.
- (6) The City agrees to provide an open enrollment period at least annually. Such enrollment period and employee and dependent eligibility shall be in accordance with the policies and rules of the insurance carrier or carriers, including the City, for self-funded plans.

- (b) City contributions are not payable toward contributions an employee is required to make to the federal government for Medicare coverage.

(b) Leave of Absence. An employee on leave of absence from the City may continue to carry City group insurance by making full premium payment. The selection of a company or agency to carry such group insurance shall be the responsibility of the City Manager and City Attorney with the assistance and consultation of a committee from the RAPG.

(c) Flexible Compensation. Should "flexible compensation" be instituted for any group of City employees, either party may reopen negotiations to consider allowing a similar opportunity for members of the RAPG unit.

(d) Health Insurance Upon Retirement. Effective July 1, 2006, the City agrees to pay one hundred percent (100%) of the health and life insurance premium for the employee-only coverage category for any employee who retires or sixty percent (60%) of the total group health, accident and life insurance premium for the same coverage that an employee had at the time of retirement. To qualify, the employee must be eligible to retire, must immediately go from City of Reno employment into PERS retirement status and must receive retirement benefits under PERS. This benefit shall continue so long as the retiree remains in the City's group health insurance program and until the retiree is eligible for federal benefits under Medicare or other federal programs or reaches age sixty-five (65), whichever occurs first. It is the intent of the parties throughout this Article that if the minimum age for Medicare eligibility is raised above age sixty-five (65), and the individual retiree is affected by that change, then the age sixty-five (65) limit will not apply to that retiree. The City shall have the right to alter the plans and benefit schedules available to such retirees in accordance with changes implemented under the City's health and life insurance program for active employees.

This benefit will not apply to employees hired on or after December 1, 2014. However, any City employee who is promoted/placed into the RAPG Admin represented unit after July 1, 2013, who is not eligible for a retiree medical benefit pursuant to the appropriate Collective Bargaining Agreement or Resolution adopting benefits and/or wages under which they have been employed by the City between July 1, 2013 and the date they are placed in the RAPG Admin Unit, shall not be eligible for a retiree medical benefit under this Article 12.

(1) As part of the coverage provided in Section (a) above, each employee enrolled in the City's group health and life insurance programs shall be provided term life insurance under a policy which offers coverage in an amount equivalent to one (1) times the employee's annual base salary. The amount of term life insurance coverage shall be subject to the reduction formula specified in the group term life insurance policy for those employees who retire and continue as part of the City of Reno insurance group.

(2) A supplemental life insurance program shall be offered to employees covered by this contract. An employee selecting this supplemental coverage shall be responsible for paying the full cost of the premium.

(f) LTD Insurance. The City shall provide, at no cost to the employee, a long-term disability insurance plan for unit members, the plan of benefits being the same as that in effect on July 1, 1988 for management and mid-management personnel as defined in the summary plan description.

(g) Physical Examinations. It is recognized that employees under this contract will from time-to-time need to take physical examinations. Such examinations are provided in the Health Insurance plans and the City shall reimburse employees for the co-pay for such physical exams taken once every twenty-four (24) month period. Time taken off duty for such physical examinations may be taken as sick leave time and accounted for as outlined in Article 7.

ARTICLE NO. 13. CHANGE OF RESIDENCE:

Any member choosing to appeal a grievance to arbitration after having said appeal denied by the Association shall bear all costs on their own.

(m) The "City Manager" or "Department Head" shall mean the City Manager, Department Head or their designee, respectively.

(n) The time limits specified in the preceding sections may be extended by mutual written agreement of both parties.
